WHY WE PROCESS YOUR DATA (Purposes and legal bases)

Users' data are collected and used to allow proper navigation on the Website, to improve the browsing experience as well as to respond to any requests and communications from Users.

Where applicable, only with your prior and express consent, the information you provide will also be used for our marketing and sponsorship of products and services.

WHAT WE DO WITH YOUR DATA (Categories of data, necessary requirement)

Some data are necessary and therefore mandatory in order to browse the website (browsing data) while others are optional (data provided voluntarily by users).

- **NECESSARY DATA:** the IT systems and software procedures responsible for the operation of this Site acquire, during their normal operation, some navigation personal data whose transmission is implicit in the use of internet communication protocols. Such information is not collected to be associated with identified Data subjects, but which could, through processing and association with data held by third parties, still allow users to be identified. This category of data includes the IP addresses or domain names of the computers used by the Users who connect to the Site; the addresses expressed in URI (Uniform Resource Identifier) of the requested resources; the time of the request; the method used to submit the request to the server, the size of the file obtained in response; the numeric code indicating the status of the response given by the server (e.g. success, error, etc.) and other parameters relating to the operating system and the User's IT environment. These data are used in order to obtain anonymous statistical information on the use of the Site, to check its correct functioning and improve the browsing experience of the Users. These data are deleted immediately after their processing. The data could also be used to establish liability for hypothetical cybercrimes.
- **DATA PROVIDED VOLUNTARILY BY USERS:** the optional, explicit and voluntary sending of data in web forms or e-mail to the addresses indicated on this Web Site entails the subsequent acquisition of the sender's address, which is necessary to respond to requests, as well as any other personal data entered in the letter or given at the time of booking.

HOW WE PROCESS YOUR DATA AND WITH WHICH TOOLS (Processing mode)

Your personal data will be processed by our Company through the use of analog and digital systems.

Only personnel authorized by the Data Controller will be able to access your data to carry out the processing or system maintenance operations.

We take all technical and organisational measures to avoid unauthorized access, disclosure, modification or destruction problems. These measures have been reported within our privacy management system, which allows to maintain a constant monitoring of protection against the data processed, as well as a continuous adaptation of the procedures according to the evolution of the Company reality.

The website domain has its data centers positioned exclusively in Europe.

We assure you that your data will not be transferred to third countries not belonging to the European Union or with personal data protection regulations not aligned with EU Regulation 2016/679, or to subjects who have not adhered to specific codes of conduct or binding corporate rules, approved by the Supervisory Authorities. We also specify that we do not use, within our organization, an automated decision-making, including profiling, which produces legal effects that concern you and / or that significantly affect your person.
